Amexon captures four International Property Awards

Amexon Development Corporation's **The Residences of 488 University Avenue** has won four prestigious international awards from the **International Property Awards** based in England.

Among all entrants from The Americas, Amexon was awarded Best Architecture, Multiple Residences; Best Residential Highrise Development; Best Condominium Canada; and Best Interior Design Canada.

"We are extremely proud of what we are creating at The Residences of 488 University Avenue," said Amexon's **Jason Shiff**. "We share these awards with our valued partners in the development, and know these honours are testament that we are all undertaking a very special, stand-alone condominium development not only in Toronto, but now recognized throughout the world."

Architectural design at 488 University was by **CORE Architects** and interior design by **IIbyIV Design**.

CORE Architecture captured the only other GTA award in the Architecture Multiple Residence Canada for **Fashion House**, which was built by **Freed Developments**.
